FOR IMMEDIATE RELEASE

Siouxland Habitat for Humanity Announces BaconFest Date

The Siouxland Habitat for Humanity board of directors and BaconFest committee are going ahead with plans to hold its annual signature fundraising event BaconFest.

This annual event will be held 3 PM – 7 PM, Saturday, September 19, at Hard Rock Hotel and Casino’s Battery Park.

“Important to note is the change in time for our event,” stated Fred Hexom, executive director for Siouxland Habitat. “We have talked about changing the time of the event for a couple of years. The committee thought that with all the COVID-19 related changes that will be utilized, now was a good time to make the move to a later start in the day”, stated Hexom.

“We will implement all CDC and state/local guidelines regarding health safety during the event while working in concert with Hard Rock,” assured Hexom. “We look forward to a successful, albeit, “transformed” type of outdoor family festival”, said Hexom.

More details will be announced as they become solidified.

Siouxland Habitat for Humanity, founded in 1992, is an affiliate of Habitat for Humanity International – a Christian housing ministry. Siouxland Habitat for Humanity is an Equal Housing Opportunity.
